Board of Education / Board Testimony

We should protect our most vulnerable students and ensure they receive the best possible education without watering down standards. My name is Lazar Treschan and I am the Director of Youth Policy for the Community Service Society of New York CSS , an organization that conducts research and advocacy to advance public policy for low-income New Yorkers. Changes to evaluation, tenure, edTPA, GPA requirements that remove discretion and overly proscriptive edicts on teacher education, all demonstrate the lack of respect for the dedicated teachers preparing our students for their futures.

Testimony K

Call them up a couple of days before the hearing and chat for a few minutes to get a feel for who they are. Such ignorance strikes me as willful.

Chapter 33. Conducting a Direct Action Campaign

We also need to keep guns off the streets, and stop guns from being accessed by children.

Attend a Board Meeting

Or let's say that the city hasn't called for an official hearing, but you want to organize a public hearing on the issue to raise public awareness and help you decide what your stance should be. This allows us to allocate additional time for public comments when necessary. You might think that means you can only have senior citizens testify, but think about including others who care about that population - e.
