Foreign civilizations have often provided new ideas for the development of Japan's own culture.

1960s encyclopedias

During the Revolution of 1905—07 and in the following years, much effort was devoted to the publication of reference works whose contributors included V. Dictionary of Literary Biography: American Philosophers Since 1900. Many private schools were raised.

4: General Reference Works

The Americans looked at the great mass of people and sought to make South Vietnam a nation strong enough to stop communism. He is sometimes called the Stagirite.

Jay
