The greater the profits of the enterprise, the higher the rate of return to the creditor. Under this situation if the goods are lost during shipment the burden of loss will fall upon the opener of the LC, even though the goods were being imported for the entire industry. Modal usaha yang telah dinyatakan dalam hishsah tersebut tidak boleh berkurang selama akad berlaku secara efektif.

Fatwa DSN MUI tentang Musyarakah Mutanaqishah

It is also allowed that if an investor is working, his profit share % could be more than his capital base % irrespective whether the other partner is working or not.

MIXING OF THE CAPITAL In case of illiquid capital being used the mixing of capital is an issue. For the purpose of clarity in the basic concepts, it will be pertinent at the outset to explain the meaning of each term, as distinguished from the other. Adanya bagi hasil antara kedua pihak atas margin sewa yang telah ditentukan pada barang tersebut.

Kedua : Ketentuan Hukum Musyarakah Mutanaqishah adalah boleh. Under Islamic jurisprudence, Musharakah means a joint enterprise formed for conducting some business in which all partners share the profit according to a specific ratio while the loss is shared according to the ratio of the contribution.

Fatwa DSN MUI tentang Musyarakah Mutanaqishah

Dooling went out to investigate and saw a man dragging her Newfoundland down her driveway. But in this case the sleeping partner shall be entitled to the profit only to the extent of his investment, and the ratio of profit allocated to him should not exceed the ratio of his investment, as

discussed earlier. The Maliki school however says that Shirkah cannot be subjected to a fixed tenure.
