## Strategy and Policy Development

To their credit, the government had gone some way towards achieving some of these objectives through the Transitional Stabilisation Program and as recently as 2009 to 2013 some of these were obtaining in the economy. The adjusted Strategy replaced the first National Skills Development Strategy 2001 - 2005.

## National Skills Development Strategy

There are positive private sector trends regarding building capacity for measuring the sustainability impacts of their businesses.

## National Development Strategy

It must take its own dynamic growth as it becomes a constructive positive force which motivates especially entrepreneurs to make it a reality. It sets the framework for a common understanding and vision of sustainable development; describes the South African context, as well as key medium and long term economic, social, and environmental and governance trends that influence sustainable development; and defines 5 priority areas for strategic intervention. To eradicate extreme poverty and hunger 4.

## Unpacking the National Development Strategy

The commission consulted widely on the draft plan.
