Software and Books for Collectors: Ceramic Arts Studio: Identification and Guide (A Schiffer Book for Collectors), Collecting Pottery

They were only open for a very short period of time in the 1900s before the 1906 San Francisco earthquake hit and destroyed their operation and most of their inventory. .

Roseville Pottery Identification and Value Guide

Frackelton pottery is rare and closely followed by specialists today. While there were hundreds of pottery manufacturers in California, the ones included in this list produced wares that are more collectible, were longer established, or simply have more information about them. His pottery is truly unique.

Ceramic Arts Studio: Identification and Guide by Mike Schneider, Hardcover

Hugh Robertson founded the company then his son William, and then grandson Milton Robertson ran the factory. This style of art dates the piece around the late 19th century and early 20th century. There is not a tremendous supply of pottery from this operation.

Ceramic Arts Studio: Identification and Guide by Mike Schneider, Hardcover

Roseville Art Pottery Roseville Pottery was made in Roseville, Ohio starting in 1890. A fire in 1958 forced the closure of her plant. The best Brouwer vases have flame whipped glazes that create some really spectacular coloring.
