Yearbook of Labour Statistics 2009: Time Series: International Labor Office: 9789220222386: play.fridaynightfunk.rf.gd: Books

Contains a comprehensive compilation of major economic and social statistical information about the Philippines, its people and environment and selected countries of the world produced by various government agencies, international organizations, non-governmental organizations and some private institutions for planners, decision-makers, researchers and other users to guide them in the formulation of plans, programs and policies and analytical studies. The Compilation of Industry Statistics on Labor and Employment CISLE, formerly known as Philippine Industry Yearbook of Labor Statistics, has been developed in response to the need for comprehensive and accessible labor, employment and related statistics for industry monitoring and analysis.
