The Total score is not based on all four sections, but only the Verbal and Quantitative numbers. If you have a choice between both, it may be wise to practice both the GRE and GMAT tests using the above materials and see which test you perform better with. So which test should you take? The Integrated Reasoning section is scored from 1 to 8.

## Graduate School eliminates testing requirements for admissions

The Analytical Writing Assessment is scored by two independent essay readers. Students who take the GRE will complete a quantitative comparison section. The analytical writing section is scored from 0 to 6 and includes half-point increments i.

## Academic Test Preparation Ser.: Mathworks

The test as a whole measures your critical thinking and ability to apply your knowledge in situations other than rote memorization tests. She says two Manhattan Prep clients who were accepted to B-school with the GRE ended up needing to take the GMAT during school so that they could be considered for full-time consulting jobs.
