Dharma, Dharmā, Dhārma: 55 definitions

Very simply, in Theravada Buddhism, a Buddha an enlightened being is understood to be the living embodiment of dharma. This does not mean that a Buddha's physical body rupa-kaya is the same thing as dharma, however. However, only when it agrees with your experience and reason, and when it is conducive to the good and gain of oneself and all others, then one should accept the teachings, and live up to them.

Dharmacentral: Official site of the International Sanatana Dharma Society and Guide to Sanatana Dharma

Briefly described: do not incinerate such materials with other trash, but separately, and as they burn, recite the mantra OM AH HUM. Literature is commonly written in Sanskrit using various poetic metres.

Central Conception Buddhism Meaning Word Dharma

It is caused by the contact of the self with the antahkaraṇa inner organ , conditioned by pure thoughts and decisions.

What does the term Dharma mean in Buddhism?

This canon was written in the Pali language which is believed to have been derived from a dialect used in the region of Magadha. Whence:

Definition: Dharma is that which bears svabhava.
