Consumer protection law in the age of globalisation poses new challenges for policy-makers.

**Perspectives on Consumers' Access to Justice by Thomas G.W. Telfer and E.F. Rickett Charles**

This book provides an international perspective on consumer law and the difficulties encountered by consumers in search of practical remedies and solutions for defective products and services. Standard form contracts in Europe and North America: one hundred years of unfair terms? The growth of international consumer transactions in the wake of technological change and the globalisation of markets suggests that governments can no longer develop consumer protection law in isolation from the international legal arena.
