Really enjoyable Dylan history here.

Bob Dylan: 5 Brilliant live performances from the year 1987

Upon its 2015 release, this colourful collection was lauded for its unromanticised view of South America.

Bob Dylan: 5 Brilliant live performances from the year 1987

I searched long and far in the depths of the Internet for the other two books that precede it. Not only is it an extremely informative work on one of the greatest artists of our age, but the writing itself is a true pleasure to read.

Bob Dylan: Performing Artist 1974

Dylan's Artistic Influences Bob Dylan's art is a glimpse of the world through his eyes. This guy definitely has some things to say about Bob Dylan, and that's the reason you would read it.

Bob Dylan Performing Artist 1960

Not only that, but Williams may have a larger hand in his Bobness' success than anyone since Al Grossman, kind of like Beethoven's critics creating a whole genre Romanticism around guessing one composer's next move.
