healers story

Notes: Originally published: Santa Fe, N.M. : Luminous Press, 1994.

This edition was published in 1997

I've been finding out how to truly feel and think with my heart versus my egotistical mind, to truly understanding energy! Black Goo oozes into all cracks and crevices of matter and organized matter slowly altering its carbon-based life systems, eventually taking over all consciousness. Not in a scary way but in a normal way.

Actualmente trabaja en la escuela Los Cuatro Caminos y Four Winds Society, y atiende como terapeuta Integral en su consulta privada.

### **World Shamanic Healers Healing Arts Directory: Alternative & Holistic Medicine**

It can be linked to certain current events or it can be just a general feeling with the current state of the planet.

### **Metaphysical Books**

For the shaman, immortality is a possibility, not a given.

### **Luminous Essence: A Healer's Personal Story of Body, Light and Energy by Daniel Santos**

He then asked me to pick a crystal from the circle that spoke to me and we started a breathing meditation using the crystal that included me breathing energy into the crystal while holding it between my hands. The spiral will carry you to the highest potential available...you only need to take the first step and welcome it. Prerequisites: Open only to graduates CLOSE An Introduction to Advanced Shamanic Skills Taught by Alberto Villoldo, PhD There are advanced shamanic interventions and new mythic maps to healing that allow one to navigate skillfully through crisis into a flourishing life.
