Infine, è importante sottolineare la condizione vedovile della donna, che in varie opere boccacciane sembra un fattore associato a figure esemplari di vizio o di virtù, con una radicalizzazione del giudizio morale. Inferno 30 begins with elaborate classically inspired similes that led the great philologist Gianfranco Contini to speculate that Dante wrote this passage with Ovid open on the desk in front of him. .

For them am I in such a family; They did induce me into coining florins, Which had three carats of impurity. But tell me, at the time of those sweet sighs, By what and in what manner Love conceded, That you should know your dubious desires? The second — the origin of which owed much to a significant contribution by our emigrants — arrived in Italy in 1913 from Paris, and became popular — first in dance halls and then through songs — creating the subgenre of the tango song. Stecchetti, musica di Francesco Paolo Frontini, ed.
