### Lord Byron

Byron exercised a marked influence on Continental literature and art, and his reputation as a poet is higher in many European countries than in Britain, or America, although not as high as in his time, when he was widely thought to be the greatest poet in the world. Byron was supposed to lead an attack on the Ottoman fortress of Navpaktos, whose Albanian garrison were unhappy due to pay arrears and who offered to put up only token resistance if Byron was willing to bribe them into surrendering. His fascination was so great that he even considered a replacement of the Bible with that of the legend of Armenian patriarch.
