## Sign My Petition for a Constitutional Amendment to Ban Divorce!

Are Christians open to those who have been divorced? But our joy as Christians is not fundamentally driven by our experience of physical pleasure, but by the self-giving love that unites us together in the bond of peace. The first word *porneia* comes from a family of words used to describe illicit sex outside the bounds of a legal and monogamous marriage.

## Why the Study of Ethics Matters for Everyday Christians

Flexibility on divorce may mean that evangelicals could also rethink their position on such things as gay marriage, as a generation of Christians far more accepting of homosexuality begins to move into power. If your husband is willing to work things out with you, I think you have a biblical obligation to try.

Nevertheless, even God himself is willing to divorce when his wife's sin is great enough Isa.

### **Marriage in the New Testament**

It is in the light of these overwhelming possibilities, it is with the awe and the circumspection proper to them, that we should conduct all our dealings with one another, all friendships, all loves, all play, all politics. Many rich people threw in large amounts. I agree with Piper that this is what Jesus does in Matthew 19, except for the one exception Jesus explicitly states in Matt 19:9 a crucial point , which Piper leaves aside initially.
