### 19th & 20th Century Balkan History

Led by the janissaries and senior army officers, the Empire's privileged classes launched a sustained campaign to undermine the New Order. Of all the books I've read on the subject so far, Glenny's is most sympathetic and constructive. But this only downplays subjective valuation in historical study.

### The Balkans: Nationalism, War, and the Great Powers, 1804

It is an interesting read, by a journalist, not a historian. The Fall of Yugoslavia was published in 1992. More recent events are often frustratingly condensed or passed over.

### The Balkans: Nationalism, War and the Great Powers, 1804

To undermine the reform, they signed up new members in huge numbers, for which the Sultan was obliged to pay.

### The Balkans : nationalism, war, and the Great Powers, 1804

Romania was inveigled into the First World War by the Entente, and then betrayed to her butchers.
