Convair Deltas: From SeaDart To Hustler

Their name still resonates in the historical memory of World War II, just as the image of their shark-faced P-40s is an essential icon of American airpower in that conflict. TECHNICAL NOTES: Armament: One 20mm cannon in tail; nuclear weapons in pod or on under-wing pylons Engines: Four General Electric J79s of 15,000 lbs. Convair designed America's first jet with delta wings, first and only seaplane supersonic jet fighter as well as the phenomenal B-58 Hustler! Although Gloster produced the delta wing Javelin, and Boulton Paul —its P.

Westin's Consolidated Aircraft Page

Now he is back with , a collection of more than 80 then-and-now pairings of images from throughout the neighborhood, comparing archival images, some of them more than 100 years old, to color photos taken in the same spot today.

B

USAAF serial number 41-11680, built as a B-24D-CO converted to a C-87A. Note the large number of people watching, most likely at San Diego, California.

Convair Deltas: from Sea Dart to Hustler by Bill Yenne (2015, Trade Paperback) for sale online

Simi Valley, California: Steve Ginter. From the 1930s to the early 1950s, iconic San Francisco—based breweries Lucky and Acme owned the statewide California market.

Convair F

Later sold and converted to a model Convair 640 with Rolls Royce Dart engines.
