Why is a Catholic Permitted to Marry in an Orthodox Ceremony?

If a Catholic marries in a non-Catholic wedding, without getting a dispensation in advance, the marriage is invalid. No commitments should be made until the approval of the Chancery has been obtained. The Eastern Catholic churches 14 and the Roman Church are blessed with this complete sharing of sacramental life.

Annulments (Declarations of Nullity)

CONCLUSION The practical forms for the implementation of the above directives on the local level are to be developed by the local Chancery in accordance with its normal practices.
