Drexel Furniture

Hill built the house shown here in Redlands, near San Bernardino east of Los Angeles, California. So, these numbers can be useful when looking at old Drexel catalogs.

The 6 Best Furniture Brands to Buy Used

At the same time the design aesthetic was evolving, so too was a social movement that called for a return to hand-crafted artisanship in furnishings and other now mass-manufactured goods. These brands generally have a higher value on the resale market. This brand sells its high-quality furniture online, skipping traditional retail stores, to minimize retail markup and keep costs affordable for buyers.

Craftsman & Mission Style Furniture and Home Decor

Ethan Allen Baumritter hutches usually have bracket feet and scalloped tops. Content provided for informational purposes only.

American Made Vintage Wood Furniture

In 1946, another man bought out the name for the company and began reproducing reproduction Hitchcock chairs based on the original designs.

How to Mix Metal & Wood Furniture in a Room

But the Art Moderne or Streamline Moderne style was also favored for chic homes of the very wealthy. Pages and cover are clean and intact. The Revival style is based on the architecture of 16th-century Renaissance Italy and France, with additional elements borrowed from Ancient Greek and Roman architecture.

Gently Used & Vintage Early American Furniture for Sale at Chairish

The González-Alvarez House we see today has been remodeled. At the time, it was called the Thomasville chair company, since the company focused on producing chairs exclusively. Common motifs on furniture from this time included floral carvings, crescent shapes, and chip-carved scrolls and leaves.

Early American Furniture and Other American Styles

Augustine, Florida, the González-Alvarez House is made using coquina, a sedimentary rock composed of shell fragments. America's Georgian homes tend to be less ornate than those found in Britain. However, many Drexel Heritage designers took liberty with their antique inspirations and often changed the scale and simplified the finish.
