University of Glasgow

A two-way mixed effects analysis of covariance and a serial mediation analysis demonstrated the programme was effective in developing hope-action competencies, general self-efficacy, and job search clarity. Mental health education is usually delivered through Personal and Social Education PSE classes and delivery is informed by a set of

Adult Education and Training Funding

In the meantime, it is expected that the majority of the National Standard should still be deliverable, although some flexibility will be required on certain aspects.

Coronavirus (COVID)

What do I do if. It's worth finding out as much about the school as possible through your pre visit, its website, prospectus, Ofsted reports and school development plan.

Early learning and childcare (ELC)

While ACEs are found across the population, there is more risk of experiencing ACEs in areas of higher deprivation. Health and wellbeing Examples of good practice in supporting children to eat well and enjoy healthy food in early learning and childcare settings.

Coronavirus (COVID)

These resources cover bullying, attendance and school exclusions. Where a provider works in partnership with other organisations, it has in place

effective arrangements to ensure that the academic experience is high-quality irrespective of where or how courses are delivered and who delivers them. For example, if in a secondary teaching interview you were asked 'How would you support weaker pupils in your classroom?' Physical education and activity and sport We are committed to schools delivering at least two hours of PE for all pupils in primary school, and at least two periods of PE for all pupils between Secondary 1 and Secondary 4.

A summary of Early Learning and Childcare (ELC) resources

A recent International symposium held in Norway highlighted major gaps in provision for CIAG work with parents and carers. How to find the latest issues in education When you're researching facts to back up your answers make sure you go to reliable sources.

UK Palliative Medicine Association

The Act replaced the previous entitlement of up to 475 hours per year of free sessions of pre-school education for 3-5 year olds, with a more flexible offer of up to 600 hours ELC per year for 3-5 year olds and certain eligible 2 year olds. A number of resources have been published to complement 'Respect for All'.
