Treaty of Waitangi

The nature of a political system may be transformed not suddenly or violently in the course of revolution but by the gradual, corrosive influence of ideas and by the accumulating impact of different political philosophies. One hundred and nine of these were public hospitals with 14,298 hospital beds available. This is why the government of the day must have a majority of elected representatives.

Stability & Security

An extensive range of voluntary health and social care organisations has developed in New Zealand. Within 72 hours, it is possible that catastrophic violence will have broken out in all 50 state capitols — as well as in Washington DC. The Community Law website has more information.

The justice system and the constitution

The changes proposed in the report would take effect for the appointment and term of the next Governor-General. There are also a number of specialised tribunals which operate in a judicial or quasi-judicial capacity, such as the Disputes Tribunal, the Tenancy Tribunal and the. The key to their success is their ability to control, to manage and prevent change, and to bring under governmental direction all the forces that may result in that are threatening to the system.

The queen's gambit — new evidence shows how Her Majesty wields influence on legislation

It was suggested by many commentators that it would be inappropriate to entrust the office to a former party leader or anyone who is closely allied with a political party; however, despite his background, Holyoake could not be said to have discharged his duties in a partisan way, and he stayed in office for only three years.

New Zealand : Constitution and politics

In a move that drew criticism from some quarters for politicising the Commission's office, Isifu said it was time to change the system so that people can directly elect the prime minister.
