The Effects of Industrialization on U.S. Economy and Society Free Essay Example

Among them was California-born Chinese American Sing Kee of the 306th Infantry, 77th Division. Louis, Illinois, as African Americans were hired to replace unionized whites striking for higher wages.

U.S. society 1919

Smith had coordinated a counterattack when his reconnaissance patrol was attacked, despite being wounded; and Sfc. The Army assigned these women the same status as nurses and required them to purchase uniforms designed by the Army. In 1990, Kristin Baker became the first woman brigade commander of the Corps of Cadets at the U.

Why It's Important That We Study History

In time, Japan made most Filipino prisoners sign statements agreeing not to return to combat and then sent them home. Decades of bad farming practices caused the topsoil to erode, and combined with the weather conditions the 1930s was the overall warmest decade of the 20th century in North America caused an ecological disaster. Or was this the moment of its final triumph? Recent scholarship, however, rejects this chronology.

American Studies

Few went to the cities with over 100,000 people.
