What to Expect in 2021: Reinsurance Market Moving From 'Timid' to 'Hard'

And for sure, at the point we stand today, we are not at that level. There are 35 companies in the Renaissance Reinsurance U. For life companies, the elimination of redundant reserves and the freeing up of domestic capital have been top priorities in this space.

South Africa and Southern Africa

Despite these conditions, the insurance organizations possessing the combination of sophistication and the adaptability needed to optimally manage capital will likely be the market leaders. Now is the time to look at such conditions. South Africa and Southern Africa RGA Reinsurance Company of South Africa Limited RGA is the only dedicated life reinsurer in the South African market and supports all lines of , as well as a range of.

South Africa and Southern Africa

RGA has one of the most experienced underwriting teams of any reinsurer; the company is the worldwide leader in facultative underwriting, receiving more than 8 million cases since 1979. See Figure 1 for more details and download our report for further insight.

South Africa and Southern Africa

And they have in no way been able to compensate for the increased claims load that we are observing around us. Reinsurance will likely evolve alongside broader financial services industry trends.
