Pranayama just reverses the process. But the yogis and scientists have perceived a greater force behind the physical elements, and that is the force of energy or prana. In nontheistic religions such as Buddhism, Jainism and the Mimamsa school of Hinduism, karma theory is used to explain the cause of evil as well as to offer distinct ways to avoid or be unaffected by evil in the world.

What is the difference between jnana and karma yoga?

Such is the power of the knower of Brahman. The spiritual aims are peace of mind, wisdom, and, ultimately, a state of enlightenment or self-realization. The Universal Law of Karma Uplift Connect.

I saw that

The Yoga philosophical system is closely allied with the school.
