**Form in the Menschheitsdämmerung;  
a study of prosodic elements and style  
in German expressionist poetry.**

The pun passes off similarity as identity, treats as the same word those words which are etymologically distinct but identical in form.

## XVII New Literatures

Such events may not be quite so common in life, and yet the naturalness with which he' unfolds them leaves no shadow of doubt about their possibility. III Danksagung Zu allererst möchte ich mich herzlich bei Prof... ISO 690 SCHWENK, Rino Alex.

## Prosodic Features and Prosodic Structure

The stories of Ambady Narayana Poduval give the impression that their author was devoted more to beautifying the language than to the course of events or the realism of the characters.

## Prosodic Features and Prosodic Structure

The story element is largely fictitious and not infrequently woven round the love that some celestial being — a Gandharva or Indra or Chandra — bore for the human charmers.
