He was observed to turn very pale as he proceeded through the gallery and ascended the steps; but there was a modest composure observable in his demeanour. James Johnstone, a Scottish army officer in the service of Charles Edward Stuart during the 1745 Jacobite rebellion, has left one of the rare rebel autobiographies in early modern history. This made us believe the parley had been proposed by General Wills, and that we were to break out and attack them sword i n hand,—at least, break through them at that end of the town; but we soon found it was proposed by Mr.
