The government has many conservation projects to safeguard not only tiger, but also other wild animals such as lion, leopards, etc which are also facing similar situation. In 1881 he moved to New York temporarily and drew for New York magazines, especially Harper's Weekly, for which he would become a prominent illustrator.

Most of the earlier portraits were created by traveling artists or artists with studios in such metropolitan areas as Savannah and Charleston, South Carolina, or in northern cities. If these English gentle men were alive to-day and be active Shikaries with same unabated zeal, they would have almost exterminated these beautiful creatures of nature - tigers to the point of extinction.

Bengal Tiger hunting and the British Masters

In spring 1774 he was in , south of Savannah, and by July 1775 he was at Rock Landing, near in middle Georgia, before traveling on to Louisiana. The Royal Library in Copenhagen, Denmark, holds about fifty vivid documentary watercolor-and-pencil sketches, attributed to Von Reck, of New Ebenezer, the and Yuchi Indians, and local plant and animal life. It was an opportunity for them to tame the wild, untamed beast native to Indian land.
