12 Powerful Tips to Overcome Negative Thoughts (and Embrace Positive Thinking)

I did not want the narrator doing it all. The way a population of neurons fire? There is no question mark for your first example. Thoughts come unbidden and unwanted.

MATTHEW 6:31 KJV take no thought, saying, What shall we eat? or, What shall we drink? or, Wherewithal shall we be

Italics is probably your best option. Cognitive psychologists use and experimental approaches to understand, diagnose, and solve problems, concerning themselves with the mental processes which mediate between stimulus and response. Which would be more dramatic? Have a few beers, complain a little and blow off some steam.

Matthew 6:25

First off I would like to say great blog! A story with the majority of scenes in alleys and bars at night will be much different from a story that takes place in the offices of a prosperous international company by day. Publishers assume that most of your text will be roman, not italics, though they will expect italics for some words or phrases or situations. They say the same thing.

How Long Does It Really Take to Think a Thought?

Listen for a few minutes in a focused way as he vents.

2 Corinthians 10:5 We tear down arguments and every presumption set up against the knowledge of God; and we take captive every thought to make it obedient to Christ.

Are you saying they speak telepathically a lot? You should now have the thought of a heart. The punctuation for the dialogue itself needs a review.

How to Stop Anxiety And Unwanted Thoughts

Signals are carried more quickly in neurons with larger diameters than those that are narrower — a courier will generally travel faster on wide multi-lane highways than on narrow country roads.

How Long Does It Really Take to Think a Thought?

It would come across as lazy and amateurish.
