Job 40:6 Then the LORD answered Job out of the whirlwind and said:

It is not only mighty, but it is right.

Out of the Whirlwind

Or have you seen the doors of the shadow of death? Or maybe you would like a Kindle edition of the lesson or the Ellen White Notes. They symbolize movements and individuals and leaders, and even invisible and supernatural powers.

Job 40:6 Then the LORD answered Job out of the whirlwind and said:

Any time that we violate the laws of God's universe, including the laws of health, there is an immediate and sometimes violent physical reaction and much suffering comes from that. These questions deal with Job's competency in life. Canst thou restrain or hinder their influences? Job has taken a strange turn in his attitude now that these awful things are happening to him.

Out of the Whirlwind

This only the Lord can do and does. Blake reworked the Job plate sometime after 1804, but the resulting print was not included in the Illustrations. God asked Job if he knew the origin of rain or dew.
