I hear her talking to a colleague while I insist to myself I am drowning-out her conversation as I am focused on my writing.

Joyce wrote about the process we are all experiencing at this very second we breathe.

A granular reading of FW can render FW as an updated John Milton's Paradise Lost regurgitated knowledge from the tree, to affirm man's damnation ; however, Charles Darwin's The Origin of Species was published in 1859 and Joyce in FW book II clearly walks Shaun, Shem and Iseult through their earthly evolutionary lifetime travails, our mortality is a consequence of Life's evolution. Unfortunate because Joyce wanted it read in pubs.

Laugh whenever you don't get something, because you've just walked into one of the most brilliant practical jokes in literature. Of course it is long; inclusiveness is its principle.

**JAMES JOYCE'S ULYSSES—AND WHY EVERYONE SHOULD READ IT**

It takes you to a funeral and a brothel and even for Joyce loved journalism a newspaper office. Most scholarly writing about Joyce's Ulysses has

concentrated on its parallels with Homer's *Odyssey*, Catholic theology, Dublin's streets, Shakespearean references especially *Hamlet*}, all of which, and much more, Joyce included in his novel but emphasizing the interpretation of these overlays to the story has led to the book appearing almost impenetrable to readers who might otherwise enjoy it. Most scholarly writing about Joyce's *Ulysses* has concentrated on its parallels with Homer's *Odyssey*, Catholic theology, Dublin's streets, Shakespearean references especially *Hamlet*}, all of which, and much more, Joyce included in his novel but emphasizing the interpretation of these overlays to the story has led to the book appearing almost impenetrable to readers who might otherwise enjoy it. But frankly, I never could get all the way through it, try as I might.

### **How to read this book**

Far from being tawdry cheat sheets, they're micro-courses unto themselves about literary appreciation. The entire idea of the novel is that Joyce is taking the epic heroes of *The Odyssey* and turning them into these pathetic Dubliners.
