Ralph Waldo Emerson letters from various correspondents, ca. 1814

Swedenborg discussed his thoughts about chemistry and alchemy with the duke, to whom he dedicated volume IV of Miscellaneous Observations. He was permitted to emigrate and only narrowly escaped being lynched at the hands of vindictive Orangemen from the Lisburn yeomanry, who were infuriated by his release. If Swedenborg was involved in the ecumenical Freemasonry that united Poniatowski, Sparre, Gyllenborg, and Görtz in their earlier enterprise, then he would have a specially valuable network of secret communication on the Continent.

Irish Migrants in New Zealand, 1840

He was in those days one of the most distinguished figures on the lecture platform. He resigned the charge, and was installed in Enniskillen in 1720. He comes from Pittsburg and is accustomed to pitfalls laughter and I am sure that we have in store for him to-morrow one of the most charming experiences which he has ever enjoyed in his life.
