OFM

The concern over water damage could affect the sale of single family housing where the suppression system was installed at the discretion of the builder rather than ordered by the owner.

A review of sprinkler system effectiveness studies

A3: The reference is to the design and installation provisions of the standard and not the application statements of the standard.

OFM

Filesize: 26.81 MB

Is this a contravention of Sentence 2.

OFM

This is necessary due to the possible need to recall defective units which might be discovered in quality control programs.
