Fiji (World Bibliographical Series)

Originally compiled by the British Colonial Office and published by Her Majesty's Stationery Office HMSO , this report, which has long been an essential source of information, has appeared under a variety of titles, including Annual report on Fiji, Report on Fiji, Fiji report and Fiji annual report. This is a study of considerable detail and value, in an area that contributes significantly to our understanding of modern political developments in Fiji. The compendium also includes records of South Pacific athletes in such major sporting events as the Olympics.
