Finding Butterflies in Arizona: A Guide to the Best Sites by

Finding Butterflies in Arizona, the second in a series of Spring Creek Press state guides, is an indispensable book for all butterfly enthusiasts living in or traveling to this butterfly-rich state. All these factors make this book essential-it approaches finding butterflies by species, by region, and by season. Authors Richard Bailowitz and Hank Brodtkin give a species-by-species account of Arizona's butterflies, with recommendations for the best places to find them.

9781555663520: Finding Butterflies in Arizona: A Guide to the Best Sites

He completed his master's degree in entomology from the University of Arizona. They coauthored, with Bob Stewart, Butterflies of Arizona--A Photographic Guide. A full checklist of the butterflies of Arizona is included as an appendix.

Finding Butterflies in Arizona: A Guide to the Best Sites by Richard Bailowitz

This book will tell you.

Finding Butterflies in Arizona: A Guide to the Best Sites: Bailowitz, Richard A., Brodtkin, Hank, Brodtkin, Priscilla: 9781555663520: play.fridaynightfunk.rf.gd: Books

With 334 species of butterflies reported, Arizona ranks second only to Texas, and like Texas, its proximity to Mexico brings the prospect of exotic butterflies not readily seen elsewhere in the United States. In the early 90s birding friends introduced Hank and his wife, Priscilla, to the world of butterflies and butterfly watching.

Finding Butterflies in Arizona: A Guide to the Best Sites: Bailowitz, Richard A., Brodtkin, Hank, Brodtkin, Priscilla: 9781555663520: play.fridaynightfunk.rf.gd: Books

With 334 species of butterflies reported, Arizona ranks second only to Texas, and like Texas, its proximity to Mexico brings the prospect of exotic butterflies not readily seen elsewhere in the United States. *Finding Butterflies in Arizona*, the second in a series of Spring Creek Press state guides, is an indispensable book for all butterfly enthusiasts living in or traveling to this butterfly-rich state. My personal experiences collecting butterflies in Arizona for over 15 years could not have even approached the completeness of this guide.

9781555663520: Finding Butterflies in Arizona: A Guide to the Best Sites

A full checklist of the butterflies of Arizona is included as an appendix.

Finding Butterflies in Arizona

Simply put it doesn't get better than this. They also provide a month-by-month guide to the best places to find butterflies throughout the year. I'll be using it from now on.
