## Doki Doki Literature Club

Blue litmus paper turns red when a solution is acidic; red litmus paper turns blue in basic solutions. Use tweezers to retrieve the banknote from the solution. Margaret Cheney's 1981 book says that after Tesla's death the device was sent to Yugoslavia 1952 along with many other Tesla papers, models and artifacts, becoming part of the collection at the in although her later 1999 book Tesla: Master of Lightning seems to indicate all that museum has is a smaller copy.

## Science Myth: Can You Balance an Egg on the Spring Equinox?

In simple terms, Gnomes are small statues which are placed in gardens. The display demonstrated a series of electrical effects related to alternating current, AC generators, and displayed many types of induction motors and explained the rotating magnetic field that drove them. Scanning it will take you to this website: ProjectLibitina.

## Walking on eggs science experiment

Yeah...you can definitely hear me.

## Walking on eggs science experiment

Remove the bottle from the freezer and put the coin on top of the bottle, so that it covers the bottle's mouth.
