Learn Urdu with Free Vocabulary Lists

The Turko-Afghan established as its official language in India, a policy continued by the , which extended over most of northern from the 16th to 18th centuries and cemented Persian influence on Hindustani. In handwriting those dots was often written like a small vertical line attached to a small triangle. Though he failed in his attempt to bring together Hindi and Urdu under the Hindustani banner, he popularised Hindustani in other non-Hindustani speaking areas.

CanIndia News

When it is used in the middle of a word it is a diacritic , which is usually omitted see for further information on in Urdu.

Urdu Script Writing

The course is by Aamozish, an initiative of Rekhta Foundation for learning and education. According to 's 2018 estimates, Urdu, is the , with 170 million total speakers, including those who speak it as a second language. Historically, Hindustani developed in the post-12th century period under the impact of the incoming Afghans and Turks as a linguistic modus vivendi from the sub-regional apabhramshas of north-western India.
