Haiku 01 Poem by Masaoki Shiki

The hada is quite beautiful. Kijun Sen blue line : Also called the standard line or base line, this is calculated by averaging the highest high and the lowest low for the past 26 periods. Blade is osuriage mumei with the jihada bearing strong resemblance to early Mihara work Ko-Mihara but it exhibits suguha and ko-gunome which is a feature of Hokke group.

Japanese Migration to Latin America

However, they don't have the exact same sound as they had in Chinese, they were changed a little for Japanese.

NANBOKUCHŌ ERA TACHI OF THE HOKKE SCHOOL (法華系)

Now when you see characters in anime talking about how much debt they have or how much a reward or bounty is, you'll have some notion of what numbers they are talking about. {I see three parts here: 1 5-5: or equality...where the odds to begin with are the same...the person has equal size, weight, speed or experience...and he coming to meet you head-on, 2 2-8: Here, he seems to be talking about filling in the gap when someone retreats, using a force of 2 and 3 1-9: Here, he seems to be talking about a resistance of 9 and so offering a harmony going in the same direction of 1. There is masame hada in the shinogi-ji.

Hozuki

You should harmonize like this. Approach things without moving your heart without being disturbed.
