**Sayyid Ali Qadhi Tabatabai (R.A.)**

Usually the participants would inform each other about the gatherings and we all used to know one another. However, the leading role played by many of his students in the revolution indicates that the attitudes and teachings he had inculcated in them were at the very least compatible with support of the new Islamic order. He was patient and forbearing with the questions and objections raised by his students, giving generously of his time even to the immature among them.

al

Unlike many scholars, he did not amass a vast personal library, although he did leave behind a small collection of manuscripts. Risalah dar Insan qabl Dunya - Treatise on Mankind before the creation of the World 9.

al

He saw him beginning to issue edicts fatawa and then saw that his treatise of fiqh risalaye amaliyyah was printed.

## Biography of the Author

Access to the complete content on Oxford Handbooks Online requires a subscription or purchase. Until 873 al-Ya'qūbī lived in and , under the patronage of the Iranian of the Ṭāhirids, and wrote his history there.

al

We began a discussion and Marhum Qadhi related some matters about the secrets and signs of Allah swt, the definition of tawhid, the importance of pondering deeply on this subject and the fact that this is the true and the only purpose of man's creation. However, this snake came right next to us, really frightening me. In the Kitāb al-buldān, a large part of which is lost, al-Ya'qūbī analyzes statistics, , and taxation in describing the larger cities of Iraq, , Arabia, Syria, Egypt, the Maghrib, India, China, and the.
