Be sure to let caregivers know what items meet the guidelines for the classroom. This article from the American Academy of Pediatrics provides facts on separation anxiety and tips to improve transitions for young children. B171e 2006 61353159 Natasha Daniels Jessica Kingsley, 2016 This book demystifies the difficult behaviors of anxious toddlers, offering tried-and-tested practical solutions to common parenting dilemmas.

Separation Anxiety and Attachment in Infants and Toddlers

It is a sign of nurturing care. In Everyday Goodbyes her follow-up to Starting School: From Separation to Independence , Nancy Balaban once again addresses this critical aspect of child development.

Starting school : from separation to independence : a guide for early childhood teachers

Offer to hold the child, sit with them, share a story, or just allow them to help you with daily tasks. Did they eat well before school? Organized into six chapters and two appendices, Balaban commences writing by taking the reader through what children, parents, and teachers might be thinking and feeling in times of separation.

Starting school : from separation to independence : a guide for early childhood teachers

Information includes emotional development, early childhood behavior management strategies, and self-reflection. Do you want to come sit in my lap for a while and rock? Barbara Nicholson and Lysa Parker iUniverse, Inc.

Everyday Goodbyes: Starting School and Early Care : a Guide to the ...

She asks if they can read their special book.

Everyday Goodbyes: Starting School and Early Care: A Guide to the Separation Process by Nancy Balaban

They may cry, become clingier, throw a tantrum, or withdraw in response to being left in the care of others—even people they know well, such as a grandparent, an aunt, or a child care educator.

Starting school : from separation to independence : a guide for early childhood teachers

Your efforts will be much more effective. Includes activities for the classroom that support children's movement toward independence and self-confidence. They should let the child know they are leaving and tell them when they will be back.
