And then corpses begin turning up on his front lawn. The majority of pages are undamaged with some creasing or tearing, and pencil underlining of text, but this is minimal.

Señor Vivo and the Coca Lord

Slight tanning of pages as usual. The whole band then set off through the town in full public view, for it was now one and a half hours past dawn and many people were about the streets. I followed Señor Vivo back to the centre of Ipasueño, and then lost him suddenly in the vicinity of the police station.

This does provide minimal back story, but it is simply not enough. On one hand, it's a genuinely passionate statement about how the cocaine trade has crippled South America and everyone is too afraid to go against the cartels; on the other hand, it's a magical realism story where human women can give birth to cats, gods possess people, and panthers can be domesticated. When Jude, as an adult, is adopted by his favorite Harvard law professor, his friends join him for Thanksgiving in Cambridge every year.
