Maputo, Mozambique, Associacao Geologica Mineira de Mocambique, 68-70.

### Books

I understood these villain Carboniferous rocks Upper, Middle, and Lower Coal-measures ; Gannister beds and Millstone grit better than I ever did before, and so did all of us. He chose as the subject of his Inaugural lecture a sketch of the progress of geological science, selecting a few of

the greater names in the bead - roll of geology, and dwelling more particularly upon the labours of the illustrious Hutton. How, then, those who have right to make the war may justify that destruction of the town or fort, wherein there be many innocents and young children, and some perhaps unchristened, which must needs perish withal? Luke's, Chelsea, and having keeked through the rails and seen the Duke of Wellington, I went to Westminster at three.
