From Beyond the Grave

The biggest flaw here is that the makers of the movie think that it's a work of art.

Stephen King

Did the director or any of the producers ever seen the horror flicks Sam Raimi makes? As a matter of literary art, however, a number of writers have sought to capture the very instant of death. Only the Grim Reaper provides the humor needed to alleviate the darkness of these towns.

Beyond the Grave (Grim Reaper Mystery #5) by Judy Clemens

I have read the entire series and truly appreciate the writing of Ms. Cast has suffered more tragedy than most perhaps after she loses her husband and her son in an accident. Listen to Stephen King Below: Justin is the Editor-in-Chief of Rapzilla.

Beyond The Grave

Or, sometimes, he changes clothes to fit whatever is happening. Death lifts the veil of the world, separating truth from illusion.

Beyond the Grave by Bruno Chaouat

Meanwhile, the script is smart and thought-provoking with some nice humour, a suitable dark grimness, a suitably spooky atmosphere and good characters. A glory that does not ring out is an odd kind of glory, a glory in minor key.

A Gathering Obsession Beyond The Grave

Casey is someone with whom one can empathize.

Beyond the Grave by Bruno Chaouat

He had yielded it to a literary company that would cynically profit from his writing, which in this case was, in effect, his life in words—anathema for an aristocrat and a Christian who saw commerce and economic interests as vile, especially after the fall of the Bourbon Monarchy and its replacement with the House of Orléans, a regime Chateaubriand viewed as promoting bourgeois interests.

Beyond the Grave (novel)

Let us know which are your favorite tracks. Although it does introduce us to the protagonists, as does what follows, the prologue was not needed. Silly trouble some of it but there's a serious undercurrent.
