## **The Flying Saucer Conspiracy by Keyhoe Major Donald E**

Originally, it had a very real purpose: monitor the phenomenon. We see that every day.

### **What UFOs and Joe McCarthy have to do with the assault on the Capitol.**

This was that their radio had mysteriously ceased to function. And if a hypothetical narrative is juuuust plausible enough, adherents have juuuust enough ground to remain standing on it—which is part of why this conspiracy theory has long, sturdy legs.

## **The Flying Saucer Conspiracy by Keyhoe Major Donald E**

A well-preserved copy of the 1st, sans DJ. . The map of Neu Schwabenland that cannot be exhibited in Germany, on penalty of imprisonment.

### **Flying saucer sightings**

The claim of alien abduction is not without tangible evidence, especially when the sheer volume of similar accounts is presented to the public.
