There is no distinction between them. CROISSANT The fanciful legend which attributes the creation of the croissant to Christian bakers celebrating a 17th-century victory over the Turks is widely recounted but almost certainly untrue, since there is no trace of the pastry until a century later. They make a whole-wheat pull-apart.

There are no simple rules governing preposition usage: you just have to immerse yourself in standard English in order to write it naturally. Avoid it unless you know that everyone in your environment uses it too. The advocates of restoring Czarist rule in Russia are reactionaries.

Fortune

Almost never is this usage literally accurate: people have not fallen in love since time began, for instance, because people arrived relatively late on the scene in the cosmic scheme of things.
