Xerox was honored for its outstanding color printing with the iGen and is the only OEM to be honored. For many new Canadians, there are, nevertheless, certain shared experiences, as they make a home for themselves in this country. Selectively privileging one creed or religious tradition over another in employment or services has also been found to be a form of religious imposition that violates the equality rights of others.

### **3 The Root Causes of Health Inequity**

Since 2012, I have attended meetings and workshops hosted by activists from the community. Experiencing IPV could also be associated with HIV in ways other than causing HIV infection, for example experiencing IPV could cause delayed diagnosis, less frequent disclosure of HIV status, or poor access to HIV care. .
