Galerie

Slepian is conversant on the subject of his art and artists without being condescending and his pricing is comparatively reasonable with fine and collectible art ranging from offerings of a few hundred dollars to a million plus. The space is conveniently located in the heart of Philadelphia at Rittenhouse Square amid the bustle of Walnut Street, directly above American Apparel.

Exceptional Highlights of Contemporary Works on Paper

From beneath the initially alluring, and understated, first impression of the works, emerge unexpected oppositions and abject tensions.

Collecting guide: buying works on paper

Works on Paper will feature seventy artworks created by artists working in all fifty states. In the late 1950s and early 1960s Smith rose to prominence with his shaped canvas series, which featured contrasting painted forms defined by an irregular contour. Even the restrooms are adorned with some gems - including a few Shepard Fairey pieces you can't help but love.
