**Sewanee**

Among Lonergan's more noteworthy contributions to Christology include his theory about the ontological and psychological constitution of Christ, his interpretation of Christ's human knowing, and his interpretation of Christ's redemptive work.

**Living with other people : an introduction to Christian ethics based on Bernard Lonergan : Melchin, Kenneth R., 1949**

Within the context of this confident metaphysical position, Lonergan turns to the kind of economic and social concerns that characterised his earlier hopes as a Gregorian student to devote himself to a philosophy of history. The program builds skills for academic success and civic potential by bringing students and faculty together in an immersive environment. A study of Thomas Aquinas on divine grace and human freedom was well-suited to his interest in working out a theoretical analysis of history.

**Living with other people (1998 edition)**

They next proceed through the functional specialties of doctrines judgment to systematics insight to communications experience.

**Living with other people : an introduction to Christian ethics based on Bernard Lonergan : Melchin, Kenneth R., 1949**

Hence, to understand being, we have to understand how the rational mind works.

**Indigo**

This was the age of dogmatic theology framed in terms of a conceptualist metaphysics. Each chapter begins with Words to Watch and includes a relevant case study on a vexing ethical issue, such as caring for the environment, human sexuality, abortion, capital punishment, war, and euthanasia. Second, Thomas also understands being as existence esse.

## **Indigo**

The proceedings of the Workshop are published under the same name, Lonergan Workshop, edited by Frederick G. He died at the Jesuit in , on 26 November 1984. Lonergan, Insight: A Study of Human Understanding, Collected Works vol.

## **Sewanee**

It is written by an international team of academics, among them some of the best-known Christian ethicists in the English-speaking world.
