MSU RO: Academic Programs: The Academic Program

Coursework emphasizes research and theory including in-depth exploration of an academic discipline which is typically selected outside the School of Education. Undergraduate programs and degree requirements are described in a section entitled Undergraduate Education. In the ensuing section, potential reasons for the lack of CACREP-accredited doctoral programs in the Western and North Atlantic regions, along with the potential impact of this problem, are discussed.

An Exploratory Study of Students with Depression in Undergraduate Research Experiences

The course will build on concepts learned in ELPS 600HE and ELPS 688HE by extending ...
