Aspects in Mining & Mineral Science (AMMS)

As such they may not reflect the journals' exact competitiveness or speed. PhD in Mineral Processing at Institut fuer Aufbereitung, Rheinisch Westfälische Technische Hochschule Aachen, RWTH-Aachen, Germany.

Journal of mining science (Journal, magazine, 1965) [play.fridaynightfunk.rf.gd]

Year International Collaboration 2005 2. Master in Project Management Comsat Institute of Information Technology Islamabad, Pakistan. .

Aspects in Mining & Mineral Science (AMMS)

Up till now, he is serving as Reviewer for more than twenty international journals. He serves as members of the editorial board for many journals, including Journal of Mechanical Engineering Science, Journal of Vibration Engineering, Frontier of Mechanical Engineering, Journal of Vibration and Shock, China Plant Engineering and others.

Aspects in Mining & Mineral Science (AMMS)

Experimental Investigation into Processes of Crack Formation in Rock Samples with Hole Experimental Investigation into Processes of Crack Formation in Rock Samples with Hole Suknev, S.

Journal of Mining Science

The International Journal of Data Mining Science is a quarterly published, open source journal and operates an online submission with the peer review system allowing authors to submit articles online and track their progress via its web interface. His research interests include dust control, industrial fine particulate matter control, mine safety and environment, and industrial ventilation and occupational health.

Journal of Mining Science

© 2017 Lupine Publishers LLC, All rights reserved. He is now a professor of mechanical engineering at Tsinghua University in Beijing. Random
