Operations and maintenance In addition to construction cost, the builder is also responsible for operation, maintenance and transfer of risk. Have fun at the beach volleyball court, head out fishing, or have a snack at one of the picnic areas. The Big Muddy area is quite large, so the number of accommodations in the area is wide and varied.

### 25 Outdoor Summer Activities in Regina

The area borders Albert Street, Broad Street, Victoria Avenue, and College Avenue. The paved trail takes you through the entire park, including around the front of the Legislative Building.

### Landscape Supply

The evenings will be filled with food and liquor tasting, music, yoga, and salsa dancing. We also screen and crush aggregate for other construction companies in the area. There are several trails in the park that take you through the gorgeous scenery.

## **25 Outdoor Summer Activities in Regina**

The towering sandstone and clay structure has attracted people from all walks of life throughout history. The park was completed in 1963 and handed over to the city to be for the citizens of Regina. This encourages the use of high-quality materials and long-term thinking in design to reduce costs into the future.

### **Landscape Supply**

There are free courts throughout the city so all you need is a racket and some tennis balls to have a great time. You can join for lessons or try Standup padding Yoga or join for a weekend retreat! We are always happy to talk to our customers.

### **Landscape Supply**

All the locations mentioned are great day trips from Moose Jaw.
