This report outlines essential themes of the access versus confidentiality debate that emerged during the workshop. The Two-Pencil Method breaks down Crilley's techniques across six chapters of five lessons each. Techniques and exercises build on one another as you practice your skills and gain confidence.

Unlike his earlier books which simply showcase many of his drawings up to the time of publication, this book goes into detail explaining how each

drawing was created - using all lines and crosshatching and never using a traditional stump to blend the graphite.
